REQUEST FOR WITHDRAWAL OF INCORRECTLY ENTERED POWER OF ATTORNEY AND CORRESPONDENCE ADDRESS INDICATION FORM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned is the attorney of record in the subject U.S. patent application, as evidenced by the Declaration and Power of Attorney filed with the application. On August 18, 2008, the undersigned received a Notice Requesting Change of Power of Attorney which was mailed on April 15, 2006. That Notice asserted that the Power of Attorney to me had been revoked by the assignee.

The undersigned reviewed the electronic file of the subject application and noted that a Power of Attorney and Correspondence Address Indication Form was entered in the subject application on July 16, 2008. A brief review of that Power clearly shows that it was incorrectly entered in this application. While the application number set forth in

that Power is that of the subject application, the filing date, first named inventor, title and attorney docket number set forth on that Power all do not correspond with the subject application. It is quite clear that the application number of the Power filed July 16, 2008 should have been set forth as 11/587,293, not 10/587,293.

The undersigned noted that a Restriction Requirement was issued in this application on August 12, 2008 and was mailed to the erroneously appointed new attorneys. The undersigned called Primary Examiner Daniel Colilla on or about August 18, 2008 and asked that the erroneously entered Power be withdrawn. The undersigned also attempted to contact SPE Judy Nguyen, who was on vacation.

On September 11, 2008, the undersigned contacted Group Director Sharon Gibson and asked for his assistance. She referred the matter to SPE Judy Nguyen who discussed the matter with the undersigned and indicated that she would try to resolve the matter. The undersigned again contacted SPE Nguyen on September 23, 2008 and again requested that the erroneously entered Power filed July 16, 2008 be withdrawn. To date, there has been no resolution of the error.

It is again requested that the erroneously entered Power of Attorney, filed on July 16, 2008 be withdrawn from the subject application and that the undersigned be reinstated as applicant's attorney.

Respectfully submitted,

Bernd Klaus FAIST
